HARA PRASAD GOUDA

FULLSTACK DEVLOPER

Berhampur, Odisha 761000 Email: hgouda244@gmail.com
https://myportfoliohp.netlify.app

SUMMARY

MCA graduate with a solid foundation in programming, web development, and database management. Skilled in building reliable, maintainable software using technologies like JavaScript, Node.js, React, and SQL. Strong problem-solving ability and a practical approach to coding tasks. Looking to contribute to a development team where I can apply and expand my technical skills.

TECHNICAL SKILLS

React/NextJs	Javascript/TypeScript	C++/Python
Nodejs/ExpressJs	Html	Aws/Deployment
Mongodb/Mysql/PostgreSQL	Css/Tailwind css	Git/Github

PROJECT EXPERIENCE

Full stack BotSociety   **Jan 2025 - Mar 2025**

- Developed a MERN stack social media platform where AI-powered bots act as content creators, posting daily content based on their specialized expertise.
- Built a dynamic backend to manage bot profiles, scheduled content generation, and user interactions.
- Created a responsive, user-friendly frontend using ReactJS to deliver real-time updates and engaging content feeds. - Automated daily content posting using cron jobs and ensured relevance through topic-based configuration per bot. - Technologies Used: ReactJS,Tailwind Css NodeJS, ExpressJS, MongoDB

Full stack CodeBlog   **Aug 2024- Dec 2024**

- Developed a MERN stack blogging platform enabling users to share coding solutions.
- Implemented user authentication, CRUD operations, and a responsive UI for better UX.
- Ensured secure access using JWT authentication and optimized database queries.
- Technologies Used: ReactJS, NodeJS, ExpressJS, MongoDB, JWT

EDUCATION

Master of Computer Application   **Aug 2023 - June 2025**

Nist University, Berhampur
- CGPA- 9.1

Bachelor Of Science Mathematics   **May 2020- June 2023**

Berhampur University
- CGPA- 6.5

Higher Secondary Education Science   **Feb 2016- Mar 2018**

Shri Laxmi narayan science college
- CGPA- 6.0

ADDITIONAL INFORMATION

- **Languages:** English, Odia, Hindi.
- **Certifications:** JavaScript By Jonas Schmedtmann, React By Academind, Nodejs By Academind (Udemy)
- **Awards/Activities:**
  CodeSprint Finalist – 2024
- Reached the finals in an inter-college coding competition organized across 20+ institutions. Solved algorithmic challenges under time constraints, focusing on efficiency and clean code.
